

Sun Life Financial has title sponsored the Sun Life Stanley Dragon Boat Championships for the past 5 years. It is an international renowned sports event which attracted more than 240 teams and 40,000 spectators to participate each year. Dragon Boating is a cultural sport that encourages team building and communications.

This year's event is scheduled on June 12, 2013 at the Stanley main beach. Sun Life would like to extend our invitation to your prestigious university/college/ alumni association/ student union to form teams to participate. We greatly encourage youngsters to do more exercise under the sun and lead a healthier life. Each boat needs 20 paddlers and 1 drummer. The team can be either men or women or mixed.

Sun Life is glad to offer your university/ alumni association/ student union a sponsorship for each team, which includes

- *Registration fee to the Dragon Boat race
- *Dragon Boating T-shirts and shorts (20 sets for one team)
- *16-hour coach training at Stanley main beach (April 20-June 6)
- *HK\$5000 cash for the cheering team.

The winners of the Dragon Boat Championships are entitled to trophies from the organizer and the cheering team can also participate in the most outstanding outfit competition to win cash prizes.

You are welcome to form more than one team. Interested students may contact Ms. Carmen Lo by email: carmen.km.lo@sunlife.com.
