## PROGRAM DETAILS

Bodwell's Global Leadership Training Program is designed for global-minded and motivated young adults from around the world. Participants obtain a variety of training and lead groups of youth from Bodwell's University Summer Programs in their exploration of the geographical, historical, social, and cultural aspects of Canada. The summer programs are for international youth ages 7 – 17 that join to improve their English skills and learn about Canada. In 2012, our summer program celebrated the 20th Year of offering unique Canadian educational experiences.

The Global Leadership Training Program takes place in Vancouver (University of British Columbia) with opportunities to travel to Victoria and Whistler. Themes covered in both training and practices are multicultural understanding, global communication, awareness of environmental issues, and leadership development.

Global Leaders are responsible for a group of 8 – 14 youth, depending on the ages and cultural mixes. Tasks include planning, leading and joining in a variety of activities throughout the evening and weekends. They act as a role model for the students and a cultural ambassador for their own country. They provide our students with support, guidance, and supervision. All leaders are a part of a team that aims to provide a fun, educational, and memorable summer experience for all Bodwell students.

Upon arrival to the program, four days of training and orientation workshops will be provided before Global Leaders are matched with their group of students. These workshops, hosted by guest speakers, will help educate the Global Leaders on Vancouver, Canadian culture, safety, communication, group leadership and environmental sustainability. It will also give them the opportunity to get to know the other leaders and understand the summer program structure and guidelines.

The Global Leadership Training Program is a voluntary program. Bodwell will cover the following costs for participants of the program:

- Accommodation from the Program Arrival to Program Departure
- Transportation (airport pick-up/drop-off, to and from outings)
- Medical Insurance for the Duration of the Program
- Meals (3 per day plus an evening snack)
- Activities, Outings and Weekly Events
- Reference Letter, Official Certificate of Completion & Canadian Souvenirs

Participants of the Global Leadership Training Program will be required to pay and arrange for their own air travel to and from Vancouver.

## TESTIMONIALS FROM PAST GLOBAL LEADERS

The Global Leadership Training Program was a great experience in my life. This program let me learn new things, places, cultures and mostly people, many of whom I learned a lot from about teamwork, education, planning, and problem solving in an excellent environment.

I found it rewarding to be part of an intercultural group where each personality and energy made it a great place to be; where the attitude of service and support made every day enjoyable. With moments of laughter and fun, I now have a big picture about life and people. I am mostly looking forward to share my experience and to see everybody again.

- Gabriela Ahedo, Mexico

Spending this summer in Vancouver with Bodwell's University Summer Programs has been one of the best decisions in my life. It was a fulfilling job and I learned so many new things – Cultural diversity, essential keys to successful leadership, being in a team, how to work with children and teenagers and also a lot about myself. I can truly recommend the Global Leadership Training Program to everybody who's interested in having a great time with amazing people from all over the world and experiencing Vancouver's multiculturalism! All of these things made this summer with Bodwell a wonderful experience I will never forget! Thank you, Gracias, Spasibo, Obrigada, Xièxie, Danke!
