

NTU International Student Immersion Programme 2013

"Singapore Learning Journey"

22 – 31 January 2013, Nanyang Technological University, Singapore

www.ntu.edu.sg/cce/

Warm greetings from Nanyang Technological University, Singapore.

We are pleased to announce that NTU Centre for Continuing Education is organising an immersion programme for international students from 22 to 31 January 2013.

The "Singapore Learning Journey" will enable the participants to gain insights into Singapore history, nation building, people, cultures, politics, society, education, economy, foreign direct investment, social service, urban planning, water management as well as entrepreneurship in Singapore. Lessons come alive with the various interesting educational tours.

Registration Form and details of the programme can be downloaded from our website www.ntu.edu.sg/cce/.

We would appreciate greatly if you could help us to publicise this immersion programme to your students and please feel free to contact me if you have any query.

Looking forward to your students' participation!

Thank you!

Warm regards
