

Join to Sing at the Carol Singing Festival (聖誕頌歌節) for the Child Development Matching Fund

With the generous support of a donor, HKU students and members can perform and sing in the Carol Singing Festival of Child Development Matching Fund (CDMF), from **13-24 December, 2014** in multiple hot spots around Hong Kong, with a waiver on donation. The Carol Singing Festival advocates the culture of investing time, manpower and financial resources in youth development. In addition to singing carols, which could be in different languages, participants can cross-over with other art performances, e.g. playing musical instruments, dancing, magic show, etc, making it a fun and creative platform for all participants to show their talents for a meaningful charity cause.

To learn more about the event, you are welcome to join the briefing session of Child Development Matching Fund (CDMF) Carol Singing Festival 2014:

Date: 14 November 2014 (Friday)
Time: 12:30 pm – 1:20 pm
Venue: KB 112, Knowles Building

Over 50 students have formed choir teams at the spot, and started getting ready for a special Christmas where they will sing in high traffic locations throughout Hong Kong in a mission to support deprived youths in Hong Kong.
